Re: MUR 6292

Dear Mr. Jordan:

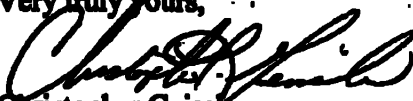

I reviewed your letter dated May 20, 2010 and the attachments including the letter dated May 13, 2010 to the Office of the General Counsel by Mr. Richard M. Cape.

Based on my review and discussion with several members of my committee, I am more than puzzled as to why your letter indicates that I may have violated the Federal Election Campaign Act of 1971. The Complaint attached to your letter specifically outlines purported violations by the Joe Walsh for Congress Committee and one or more individuals engaged by that committee.

As one of six (6) candidates in the 8th Congressional District of Illinois, I have no knowledge of who was employed by Mr. Walsh and what services were rendered. I am of course more than casually interested in how phone survey information, compiled by a consulting firm engaged by my campaign committee, was furnished to one of my opponents, Joe Walsh, and his committee.

In light of my comments in this letter, please review your file and confirm that your letter may have been misdirected to me.

Very truly yours,

Christopher Geissler
